

ANDREW McEWEN BAIN

PO Box 6376 St Lucia Qld 4067 Australia ☎ +61 07 3871 9495

Andrew grew up in the Redlands district south-east of Brisbane. He became a Christian at the age of 17 through reading Matthew, Mark and Romans in a Bible he was given for free. After studying history and economics at university, he worked for the Queensland Government for five years in project management and policy development. He subsequently studied theology and completed a PhD in the field of Latin Patristics (early church “Fathers” who wrote in Latin). Andrew met his wife, Robyn, while living in Sydney, and shortly after being married they moved to the NSW Central Coast to serve with a local church there. Andrew’s interests include enjoying all things baroque, reading books written more than 100 years ago, and exercising in a bid to slow the onset of the proverbial middle-aged spread!
