How this Unit Contributes to the Course

The Apostle Paul asks the Colossians to pray that he might *proclaim his gospel 'clearly, as he should.'* Since *faith comes by hearing the Word of God* it is important that those who are engaged in Christian ministry can clearly and effectively communicate the Word of God to the generation they are living in. This Unit is one of the most important in the student's course of study. This is one of the "coal face" Units. Here is one area where the servant of God is bringing the Word of God to the people of God for equipping them in the service of God.

Pre-requisites and Co-requisites

This Unit is an Elective for those enrolled in the Diploma of Theology, Bachelor of Theology, Associate Degree of Theology, Graduate Diploma of Divinity and Master of Divinity. There are no pre-requisites for this unit.

How this unit is organized & what we expect of you

This Unit will include three hours of lectures and workshops per week throughout the semester of 13 weeks. Lectures will be supported with handouts for each lecture which should be supplemented by note-taking by the student. Class notes and other resources will regularly be updated on Moodle.

PC447 Assessments

Assessments are submitted online via Moodle

In order to pass the unit, you must submit all assessment pieces and attain a mark of at least 50% for the unit as a whole.

Unless an extension has been applied for and granted in accordance with the Late Penalty Policy found in the QTC Handbook, where a student submits an assessment past its due date, the assessment marks will be reduced at the rate of 3% of the total possible marks for the Assessment item per calendar day, up to 14 days late.

Your essays must also be within 10% of the required word limit and your ability to meet this requirement will also be taken into account in determining your mark. QTC seeks to prepare you for ministry, and in ministry delivering presentations on time and within an acceptable length are essential skills.

Guide to Assessments

Please make sure you answer the correct Assessments.

PC447 Assessments are for those enrolled for the Bachelor of Theology, or the Associate Degree of Theology, or the Diploma of Theology.

PC647 Assessments are for those enrolled for the Master of Divinity or the Graduate Diploma of Divinity.

Each of the three assessments for this unit contains more than one part. It is important that you **answer every part**, and take careful note of the **number of words required for each part**. As in all ACT/QTC assessments, you are required to submit assessments whose length is within 10% of the number of words specified. So, for example, for a 500 word piece of assessment, your answer should be between 450 and 550 words in length.

All parts of each assessment item should be submitted together. Please speak with the lecturer if you are not sure about how to submit your answers.

There are detailed instructions for each part of each assessment task in the Assessments sections of this Unit Outline. They explain what is required. Read them carefully before preparing your answer, then re-read them when you have finished, to be sure that you have answered the question correctly.

The **Portfolio** requires you to analyse the work of a well-known preacher, and to prepare some written and spoken material of your own. You should apply the things you have learnt during lectures to help you prepare these assessment items.

For many of you, this will be the first assessment item that you submit at QTC. Please start your preparation promptly at the beginning of the term, so you will have time to ask questions about anything you are not clear about, and so you are able to complete all of the work before the due date.

Both **Sermons** are to be 1500 words in length, and each is to be accompanied by a 500 word explanation and justification of how you went about preparing the sermon. For the first sermon, you will present a 5-minute extract in class. You will preach the second sermon in full.

Check with the lecturer that each of your sermon passages is of a suitable length to be covered in one 1500-word sermon, and that they begin and conclude at appropriate places in the biblical text.

Each sermon script is to be submitted before any students commence presenting sermons in class. The Due Dates for submission are in the published lists of all QTC Semester 1 assessments.

Please note the criteria for assessment of your sermons, as listed in this unit outline.
