## Information about this unit

### Ethos of the Unit

*Ministry in Practice* is based on the twin convictions that applying the gospel to ourselves is the foundation of all gospel ministry, and that the gospel must shape and drive all that we do in ministry.

### Desired Outcomes of the Unit

The unit aims to

1. Encourage the formation of a robust, reformed spirituality that will sustain men in ministry
2. Inculcate a culture of constant personal reflection on the gospel and application of the gospel to ourselves
3. Sharpen the preaching of everyone involved
4. Establish patterns of accountability and healthy critique within a functional peer group
5. Equip students to think about key issues in ministry in a way flows out of the gospel
6. Provide training and templates in the basics of pastoral ministry
7. Provide the opportunity to read key classic and contemporary texts which potentially shape our thinking in life and ministry, which may not fit easily elsewhere in the QTC curriculum

### How this unit is organized & what we expect of you

The unit is taught over two 13 week semesters. Some weeks we will discuss together about aspects of Ministry and some weeks will be spent discussing the set reading books and their applications for our future ministries. Please ensure you have completed the readings before the classes and come along prepared to learn from a variety of people experienced in ministry. This unit will assist you to reflect on the challenges and opportunities of Christian ministry.

The daily programme will be as follows on each Tuesday of Semester 1 & 2

8.30-9.20am	Preaching Workshop (Boardroom)
9.30-10.20am	College Chapel (Auditorium)
10.45-12.35am	Ministry and Maturity (Boardroom)
