Important notice

While every care has been taken to ensure accuracy in the information given below, **it is the personal responsibility of each student to check the current ACT Handbook**, copies of which may be found in the Library or online at www.acttheology.edu.au

It is very important that students plan their time carefully to ensure that reading and especially assignments receive adequate attention and so as to prevent a bottleneck of work at the end of the semester.

It is very important that all quoted material in assignments be properly footnoted and acknowledged. The attention of students is drawn to the ACT's **Academic Misconduct Policy**, as well as ACT **Late Penalties Policy** and **Extensions Policy**, all of which are available on the ACT website. Failure to comply with the standards required will incur penalties as outlined in the relevant ACT Policies.

The attention of students is also drawn to the section in the current ACT Handbook, headed **"Guidelines for Essays in Coursework Units"** (see also the QTC Student Handbook). All essays and assignments should comply with these standards.

Students should be aware that the delivery of this unit and results awarded are moderated by the ACT. See the ACT "Moderation Policy" and "Moderation Procedure" at www.acttheology.edu.au/documents/ for full details.

How this Unit Contributes to the Course

At QTC, all students studying towards the MDiv, GradDipDiv, BTh, BMin, DipTh, or DipMin usually include this unit within their course. This unit provides a foundation for further advanced Old Testament study.

This unit is designed as a PRIMARY DOCUMENT unit; therefore, the main objective is to ensure that students have a deep familiarity with the text of Genesis-2 Kings as a foundation for further study of the Old Testament.

Pre-requisites and Co-requisites

There are no pre-requisites or co-requisites for OT001-512/712.

How this unit is organized & what we expect of you

This unit includes three hours of lectures per week throughout the semester of 13 weeks.

It is expected that the biblical text to be covered is read at least once in advance of class. You will also be expected to read the relevant section of the course textbook (Longman & Dillard) *after each class*. Lectures will be supported where appropriate with lecture outlines.

Please note that all students are expected to read the biblical books covered in their entirety at least three times during the semester.

This unit is worth 12 credit points towards your degree. A 12 credit-point unit is considered to require an average time commitment of around 10 hours per week across all of the teaching and assessment weeks. Please speak with the lecturer as a matter of urgency if you are finding that you need to consistently spend more time than this on OT001.

Students are expected to attend all lectures, complete any set pre reading and complete any assessment tasks by the relevant due date. Please do be in touch as soon as you can if you anticipate having any difficulties with your assessments or with meeting the due date, and if you require an extension for one of your assessments please contact the QTC Registrar as early as possible.

Guide to Assessments

What are we looking for?

General remarks

All students are expected to avail themselves of the guidelines for written assignments provided in the ACT Handbook (consult the table of contents) and in the QTC Student Handbook section 'Style Requirements for Written Assignments'.

All written work for this course should conform to the guidelines of the *SBL Handbook of Style* (with the exception of Australian spelling conventions).

Any Hebrew and Greek cited must be typed in a Unicode font; SBL BibLit is commended as one font covering Hebrew, Greek, and Roman Unicode ranges, but is not required. It is freely available from the SBL website: http://sbl-site.org/educational/BiblicalFonts_SBLBibLit.aspx

Do note carefully the number of words required for each assessment item, depending on whether you are enrolled for OT001-512 or OT001-712. For full information on what is included in the total word count, see the QTC Handbook section headed *Length of Assignments*.

For OT001-512/712

1. It is important to remember that these assessments are designed *to test if you have grasped the basic shape and message of the part of the Bible you are considering* (looking at the historical context, appreciating the kind of literature we are reading and how that works, and then how this part of the Bible fits into the whole flow of Scripture). We are not asking you to master the secondary literature on that particular book (or part of a book). Whilst in essays, some interaction with secondary literature (primarily commentaries, especially the introductory discussions) and longer dictionary articles is expected, the assessment will be marked first and foremost on the extent to which you display familiarity with and understanding of the biblical text. Where appropriate within your answers, you should seek to briefly make connections to your other theological studies, and also briefly indicate implications for Christian life and thought today.
2. Which questions should I choose to answer? Choose a part of the Bible that you are interested in or intrigued by! You will complete a better assessment / exam answer if you are engaged!
3. In preparing for the final exam, please remember that it is structured to test all the material covered in the course. The short answer questions will be drawn from Genesis–2 Kings. *However, the long answer questions will be limited to Joshua–2 Kings.*
4. In both exams and essays, make sure that you ANSWER THE QUESTION! Before you start to write, you may find it helpful to make sure that you can answer the question asked in a couple of sentences, and then take some time to make sure that your essay is structured appropriately.
